Inventive | Team Management | Self-reliance

EDUCATIONAL BACKGROUND

BTECH	Government College of Engineering, Karad	9.18
HSC	Shardabai Pawar Vidyaniketan Jr. College, Baramati.(State Board of Maharashtra)	87.85%
SSC	Vidyadham High-School, Kanhur Mesai.(State board of Maharashtra)	93.60%

PROJECTS

Innovation problem:- Oxygen Saving	In hospitals when a patient is not inhaling using artificial oxygen or even not using an oxygen mask for some other work, we can stop the loss of oxygen as flow of oxygen is stopped automatically using the principle of e-cigarette, air valve and light sensor.
RhythmoGenius	A music recommender system using machine learning utilizes algorithms, data management, web development, and cloud services to offer personalized music suggestions while prioritizing security and user feedback for an optimal user experience.
PhishShield	PhishShield is an ML-driven project that swiftly detects and alerts users to potential phishing websites, enhancing online security.
StockProphet	Utilizing Python, TensorFlow, and data analysis libraries, this project empowers investors and analysts with data-driven insights for informed decision-making in the stock market.
Auto-Attendance App	Any organization has its specific location, which is fixed on the GPS. The student's/employee's location is the key to the attendance management.

POSITIONS OF RESPONSIBILITY

- ISTE Student Secretary GCEKarad
- Lead the Technovation (Technical event of IT Department) under Aavishkar 2023.
- ITSA Technical Events Head
- Finance and Documentation Head, Defence Club GCEKarad
- Public and Relationship Head, AlphaGeeks GCEKarad
- Co-Ordinator Page Portal, GCEKarad

TRAINING AND CERTIFICATIONS

- Getting Started with AWS Machine Learning by Coursera [ML](#) (May, 2021)
- OOP's and Basic DSA by Zenox Technologies [Object Oriented Programming](#) (August, 2022)
- AWS Training by Sensix Infotech [AWS](#) (June, 2022)
- Data Science Foundation by Great Learning [Data Science](#) (December, 2022)

COURSEWORK

DBMS, OOP in C++, Data Structure and Algorithms, Computer Networks, Operating Systems.

SKILLS

TECHNICAL	• Python, C++, Core Java, Web development, App Development, Data Science, ML, AWS, SQL.
INTERPERSONAL	• Leadership, Creative, Teampayer, Self-Discipline, Organizational behavior and Strategic planning

ACHIEVEMENTS & INTERESTS

Extra-Curricular	<ul style="list-style-type: none">• Secured 3rd rank in National level, Tata's Essay Competition and awarded by President of India.• Shortlisted in top 5 teams for Smart India Hackathon (SIH)• Secured 3rd rank in Ideathon conducted by GCE,Karad
Interests	<ul style="list-style-type: none">• Management, Real time problem solving, visiting new places.
